- Public Sector Decision Making
- Performance and Revenue Management
- Risk Management
- Business Innovation Management
- Supply Chain Operations Management
- Service Innovation
- Advances in Decision Theory

Selected papers will be considered for a focused issue in the Decision Sciences Journal.
Host

University of Southern Denmark has more than 17,000 students and approx. 2,000 employees, and with campuses in 6 cities. The Department of Entrepreneurship and Relationship Management is situated at the Kolding Campus and is a young department, established on March 1, 2005.

A series of research activities take place on individual basis, often in cooperation with national and international research groups. Often internal research groups, with varying composition over time, are established within the department. There is a longstanding tradition for research to take place in close interaction with companies in the area.
Scientific Committee

- Jan Stentoft Arlbjørn, EDSI President, University of Southern Denmark
- Sukran Atadeniz, EDSI Past President, Yeditepe University, Turkey
- Carmela di Mauro, Secretary and Treasurer, University of Catania, Italy
- Constantin Blome, Former VP at large DSI, Universite Catholique de Louvain, Belgium
- Gyula Vastag, DSI European VP, University of Pannonia, Hungary

Organizing Committee

- Jan Stentoft Arlbjørn, Professor, University of Southern Denmark

- Jesper Kronborg Jensen, Assistant Professor, University of Southern Denmark
- Ivan Martinez-Neri, PhD student, University of Southern Denmark
- Pernille Holst Christensen, Department Secretary, University of Southern Denmark
Conference at Hotel Koldingfjord
Venue

The 5th European Decision Sciences Institute conference will be hosted by Department of Entrepreneurship and Relationship Management, University of Southern Denmark, Kolding.

The conference will take place at Hotel Koldingfjord where the conference participants can also stay. There are other hotels in the center of Kolding, and it takes about 10 minutes to go from Hotel Kolding-fjord to down town by car.

Hotel Koldingfjord is located in delightful country surroundings right by the water’s edge of Kolding Fjord. Experience nature by taking a trip on the Fjord with the old wooden ship “Frem”, or take a stroll by the water or through the forest to get to Trapholt Museum of Art and Design.

More information can be found at: www.koldingfjord.dk

LEGO Group
Conference Dinner at Koldinghus Castle
Welcome to Kolding

Design is a key word for Kolding - with Kolding School of Design, Trapholt Museum of Art and Design, Design City etc. A friendly university town and commercial centre. Beautiful countryside, close to water, woods and beach. Koldinghus overlooking the medieval city centre. Thriving business sector in this dynamic centre of Denmark.
Getting to and from Kolding

The closest airport is Billund Airport, situated 45 kilometers from Kolding. Buses for Kolding leave the airport approx. once an hour (see timetable at the airport’s website). It is also possible to arrive at Copenhagen Airport and then go by train to Kolding (takes approx. 3 hours). Take a taxi from the rail station to Hotel Kolding Fjord.
Explore Copenhagen
Welcome to Scandinavia

Spend some time before or after the conference in beautiful Copenhagen - the capital of Denmark.

Experience Copenhagen and see some of the highlights such as The Little Mermaid, Christianshavn, Tivoli Gardens, Christiansborg Palace, Copenhagen Opera House, and the famous Freetown, Christiania. A must-see is the colourful harbor district of Nyhavn. And when you are there, don’t forget to visit Amalienborg palace, residence of the Danish Royal Family.

From Copenhagen you can easily get to the rest of Scandinavia, and experience the beautiful nature and historical capitals of Norway and Sweden.
